Mount Princeton Hot Springs Resort Pool Pass Information for 2025-2026

Each homeowner in the MPHOA is entitled to an annual family pass to the Mount Princeton Hot Springs Resort pools. The family pass is laminated by the resort and includes family members' names and lot numbers. In addition, to the family pass, each homeowner will receive eight guest passes which can be used one time each throughout the year.

Passes may be obtained at the front desk of the resort lodge any time after the annual MPHOA meeting. All you need is a picture ID and your MPHOA lot number

Our pool passes do not allow unlimited access to all areas of the resort. Those areas that are open to us are limited to the historic bathhouse and creekside pools, and the water Slide and infinity pool.

The upper pools (water slide and infinity pool) are reserved for resort guests daily from 8-10 AM.
